Proceeds benefit Avenues Foundation providing funding for the Neurological Clinic, a free service to children of Schuylkill and surrounding counties as well as the Elks Home Service Nurse.

AVENUES NEUROLOGICAL CLINIC

For over 50 years, Avenues has sponsored a pediatric neurological clinic. Dr. Henry Maguire, Pediatric Neurologist for Geisinger Medical Center, is the physician who oversees the clinic located at the Louis Fanelli Professional Building.

Referrals to the clinic are taken from physicians, school nurses, families, and other agencies. Appointment times are scheduled at the families convenience whenever possible. New referrals must be 21 years of age or younger.

ELKS HOME SERVICE NURSE

The Elks Home Service Nurse makes a post clinic visit to the home in order to follow up on any recommendations that have been made by the neurologist.
