

Dear Friend of Avenues,

The Avenues Foundation is preparing for its **31<sup>st</sup> Annual Duck Race on Sunday, April 28, 2019**, at the Wal-Mart Supercenter in St. Clair. Each and every year we reach out to our friends in the community to make this event as successful as possible. Proceeds from past races have gone towards funding the needs of Avenues and most importantly our transportation services. Without our transportation services, over one third of the approximately 1,200 individuals we serve would not be able to attend programs on a daily basis.

At this time funds are needed to continue our mission to ensure that all individuals with disabilities have a right to an everyday life, a life that is about opportunities, relationships, rights and responsibilities. Avenues is implementing innovative ideas to help our program participants realize their full potential by becoming a member of the community, having a valued role, making a contribution to society, and having one's rights as a citizen fully respected. Enclosed are a number of ways in which you can get involved in our annual Duck Race including sponsorships, donations, ticket sales, or volunteering.

The Avenues Foundation was created to ensure that needed funds would be available for Avenues to continue to meet its mission today and into the future. It is our goal to provide quality services that improve everyday life for the individuals we serve. We are grateful for your support of Avenues and thank you for all that you do to help the individuals we serve!

Sincerely,

Brett Huffman  
Avenues Marketing Manager & Special Events Coordinator
